

WXDU

FALL '94

For over a decade, WXDU has been serving the Duke University and Triangle communities with the most diverse programming on the radio dial. Our top priority is to expose our listeners to the best in fresh, challenging new music. With over 70 volunteer DJ's from the University and surrounding area, WXDU features an incredible variety of shows with something for everyone.

SPECIALTY SHOWS

Every weekday from 5-8PM and Sundays from 11-2PM, WXDU cools off with JAZZ shows from traditional to cutting-edge. From 8-9:30PM on Fridays and Saturdays, groove your way into the weekend with the **UNDERGROUND SOUND MIX SHOW**. If that's not enough WXDU offers a daily fix of the **URBAN MIX** from 4-5PM Monday-Friday. Also, join Jason on the **SOULSIDE** from 9:30-11:30 on Saturday night.

Hop on the **BLUES TRAIN** from 2-5PM Saturdays as our man Cornell Johnson takes you back to the heart of it all for some front porch pickin'. Trade in your guitar for a banjo and join Tonya Shackner for a down-home **COUNTRY AND BLUEGRASS** fest from noon to two on Saturdays. Feast your ears on a spicy gumbo of roots music, including blues, folk, bluegrass, Cajun, Celtic, African and more on Dave Tilley's **BULL CITY COSMIC HOE**.

DOWN from 7-10PM on Sundays. Also on Sundays, scan the musical spectrum with the finest female artists from around the globe during Kirsten's 4-7 PM **WOMEN IN MUSIC** show.

During the week, count down the Top Ten new albums of the week with Bryce Burkhardt on the **RADIO NOUVEAU** show from 8-11PM on Tuesdays—and listen for your chance to win your favorite disc from the countdown. Hear the top album of the week in its entirety during **THE WAY OF THINGS** with Taz, Sunday night 11-2.

NEWS AND SPORTS

Tune in weekdays at noon and 5PM and let WXDU News be your antenna to the world. Following the news, stay tuned for the latest sports updates. For a closer look, Jim Young and guests take your calls on **SPORTS TALK** Sunday nights from 10-11. WXDU also has live coverage of Blue Devil home games.

Hear the latest from our hometown heroes on **THE LOCAL MUSIC SHOW** Monday nights from 10-12. Ted and Kristen bring you interviews and live in-studio performances from the hottest performers in the area.

Wednesdays from 8-9 is WXDU's **ROTATING FEATURE**. This hour is set aside for a more in depth look at performers, bands, and news issues.
